

CHÂTEAU DES A D O U Z E S

FAUGÈRES

Frère et soeur

Le Château des Adouzes est situé dans le village médiéval de Roquessels au cœur de l'AOP Faugères. L'appellation est exclusivement constituée d'un des terroirs les plus recherchés au monde, le schiste.

**Un sol rare, des rendements très faibles et de vieilles vignes profondément enracinées donnent toute la profondeur et l'équilibre de ce vin.
Frère et Soeur est issu de nos plus belles parcelles.**

APELLATION : AOP Faugères

GRAPES : 70% grenache noir, 25% syrah, 5% mourvèdre

SOILS: schist slopes between 200 and 400m above sea level

WINEMAKING : Traditional winemaking. The grapes are harvested by hand at optimum ripeness. The grapes are sorted in the vineyards. Separate vinification of the grape varieties for a work adapted to each one.

Aged in French oak barrels for 12 months.

TASTING NOTES : Aromas of red fruits, blackcurrants and garrigue are combined with spicy notes. The whole is balanced with silky tannins and a long finish.

SERVING : It will be the perfect accompaniment to beef tournedos or mature cheeses. To be enjoyed young with greed or after a few years that will make it gain in aromatic complexity.

OUR ENGAGEMENTS : we have a global approach:

- virtuous agriculture
- preservation of biodiversity
- reduction in our CO₂ emissions
