Old Star, Carignan Noir

80% of the wines consumed in the world are made from the 10 most famous international grape varieties.

With the Stars range, discover the excellence of traditional Mediterranean grapes.

Carignan Noir is a great Mediterranean grape. It used to be a star in the Languedoc. To get the most out of it, you must limit yields with a stony soil and goblet pruning. The result is a rich wine, with notes of black fruit and spice, yet still fresh and lively.
