## Rare, Carignan Blanc

80% of the wines consumed in the world are made from the 10 most famous international grape varieties.

With the Stars range, discover the excellence of traditional Mediterranean grapes.

Carignan Blanc is a rare Mediterranean grape variety. Only 250 hectares (600 acres) remain in the entire world, mostly in the Languedoc. Ours comes from an old 70-year-old plot planted near the sea.

We love it for its originality, beautiful liveliness, floral aromas and length on the palate.

## Rare, Carignan Blanc

**ORIGIN:** Castelnau-de-Guers, Hérault, Vin de France

**GRAPES:** 100% Carignan Blanc

**SOIL:** Limestone

**WINEMAKING:** The grapes are harvested at night to avoid oxidation. They are destemmed before maceration for 24 hours. They are then pressed and fermented at low temperatures to promote freshness and aromatic expression.

**TASTING:** The best way to enjoy our wines: invite friends, open a bottle and enjoy the moment :-)  
This wine is floral and fresh with great minerality.

**OUR COMMITMENTS:** we have a global approach:

- virtuous agriculture
- biodiversity preservation
- reduction in our CO<sub>2</sub> emissions
